Microsoft Development Technologies

.NET and SharePoint Expert – MCT trainer

S> SharePoint

Work experience

- **SINCE 2011: INDEPENDENT CONSULTANT**

  Freelance consulting with an umbrella company. Consulting missions and **trainings** for SharePoint (mainly **SharePoint development**).
  - ✓ SharePoint versions: 2007, **2010**, **2013** and **2016**
  - ✓ Developments for **Intranet**, collaborative **solutions**, **ECM**, business applications
  - ✓ Platform health-checks and migrations
  - ✓ Technical leader in SharePoint development teams
  - ✓ "Apps" development for the SharePoint marketplace SharePoint (cloud solutions)
  - ✓ Applications development for **Windows Phone** and **Windows 8 Store Apps**
  - ✓ Customers: IT service companies, large corporate clients, public sector, SMB

- **FROM 2009 TO 2011: FTE AT MICROSOFT - APPLICATION DEVELOPMENT CONSULTANT**

  As an ADC, I managed the technical relationship for Premier accounts. My role was to assist, advise, and train customers on Microsoft development technologies.

  - ✓ **Code reviews**, solution architecture advices, **POC development,** code samples, **trainings**, proactive information, articles writing, **incident resolution**, etc.
  - ✓ 90% customers *very* satisfied (anonymous surveys)

- **FROM 2007 TO 2009: MISSIONS AND ACTIVITIES FOR MY OWN COMPANY, BAKTEK**

  - ✓ **Customers' needs analysis and development of various SharePoint applications:** workflows, Web parts, migration tools, event receivers, OpenXML, search customization, etc.
  - ✓ **Trainings**
  - ✓ **Audits, technical support**, etc.

- **FROM 2006 TO 2007, FTE AT MICROSOFT: PARTNER TECHNICAL CONSULTANT**

  My role was to create the technical relationship with the Independent Software Vendors (ISV). I followed 20 partner accounts, listening to their needs and providing them with technical support and consulting advice.

- **FROM 2004 TO 2006, FTE AT MICROSOFT: DEVELOPER SUPPORT ENGINEER**

   In the European support team, my role was to solve technical cases raised by professional and Premier MICROSOFT customers. I was dealing with almost all the development tickets from EMEA about SharePoint.

- **FROM 2003 TO 2004: FTE AT EDF (ELECTRICITÉ DE FRANCE)**

  Developer for application software linked to energy transport operations.

- **2003: INTERNSHIP AT MICROSOFT FRANCE**

  Development for **.NET** and **TabletPC**, writing of technical articles on the web.

Education

- **2003: MASTER'S DEGREE IN ENGINEERING AT SUPELEC (ECOLE SUPÉRIEURE D'ELECTRICITÉ)**

  My generalist education at SUPELEC ended during the final year with a **major in computer science, software development, and artificial intelligence**.

- **MICROSOFT CERTIFICATIONS**

  - ✓ **Development for SharePoint 2007, 2010 and 2013** (exams 70-541, 70-573, 70-576 et 70-488)
  - ✓ **Microsoft Certified Trainer (MCT)**

- **1998-2000: "CLASSES PRÉPARATOIRES SCIENTIFIQUES" PCSI/PC* AT LYCÉE THIERS, MARSEILLE**

- **JUIN 1998: BACCALAURÉAT SCIENTIFIQUE, MENTION BIEN (A-LEVEL WITH HONORS)**

Languages

- **ENGLISH: TECHNICAL CONVERSATION, READING, WRITING**

- **FRENCH: NATIVE**

Miscellaneous

- **TOP 40 CONTRIBUTORS ON HTTP://SHAREPOINT.STACKEXCHANGE.COM/**

- **CO-FOUNDER, CTO AND PARTNER AT NOTASOLUTIONS FROM 2013 TO 2016**

  NotaSolutions is an ISV company for solutions dedicated to notaries offices.

- **WINDOWS PHONE 7/8 AND WINDOWS 10 APPLICATIONS DEVELOPMENT WITH A US PARTNER**
